

*Comprehensive course covering all Title IX requirements to promote respectful, inclusive, healthy relationships.*

Students on your campus will explore the crucial concepts of consent, healthy relationships, bystander empowerment, sexual assault, intimate partner violence, and stalking.

Our customization features allow your campus definitions, resources, and reporting procedures to be integrated into the course. Students will learn their rights and learn where to go and who to talk to for help in your community.

Consent & Respect meets the student-facing training requirements for Title IX, VAWA, the Campus SaVE Act, and the Final Rule.
