

Course on the impact of hazing and social hosting

Students are challenged to become anti-hazing advocates on their campus. Hazing & Hosting is a state-law specific course that emphasizes personal responsibility for both hazing and social hosting as it relates to underage drinking. Customization features allow you to add specific information about anti-hazing programs on campus as well as other campus resources.

LEARNING OUTCOMES

After taking *Hazing & Hosting*, the individual will be able to:

- Identify examples of hazing
- Understand the components of hazing
- Identify hazing situations
- Understand the root motivations behind hazing
- Recognize the importance of proactively addressing hazing on campus
- Understand the negative effects of hazing on both the person being hazed, as well as the person doing the hazing
- Understand the state laws and illegality of hazing
- Identify bystander actions that can be taken in a hazing situation
- Explain the "Bystander Effect"
- Understand the consequences of inaction for bystanders
- Make a plan for being an active bystander
- Understand why 21 is the legal drinking age
- Understand the consequences for social hosts who furnish alcohol to people who are underage
- Take a hazing prevention pledge
